

AGENDA

Consumer Liaison Group Meeting

Thursday, August 5, 2010

10:00 a.m. – 1:30 p.m.

Colonnade Hotel, Boston, MA

Dial-in: 866.453.1193, passcode: 1845244

10:00 a.m. – 11:30 a.m.

Demand Resource Participation in Energy Market

Presentation and discussion on proposals for incorporating price responsive demand (PRD) into the wholesale energy market and comments to FERC's Notice of Proposed Rulemaking (NOPR) on PRD. Panelists to discuss their views on how PRD should be treated in the wholesale energy market and how these views and FERC's NOPR may affect consumers.

David Cetola, Assistant Attorney General, MA Attorney General's Office

Benjamin D'Antonio, Economist, Division of Regional and Federal Affairs, MA Department of Public Utilities

Herb Healy, Senior Director, Regulatory Affairs, EnerNOC Inc.

Brad Swalwell, Director, Account Management, Comverge, Inc.

Henry Yoshimura, Director, Demand Resource Strategy, ISO New England

11:30 a.m. – 12:15 p.m.

Economic Impact Analysis

Presentation and discussion of the ISO's proposed process and components of the economic impact analysis for new initiatives going through the regional stakeholder process. This analysis is in response to the Order 719 RTO Responsiveness and Governance Working Group stakeholder process that committed to provide consumers and other stakeholders qualitative and quantitative information on "major" new initiatives.

Robert Ethier, Vice President, Market Development, ISO New England

12:15 p.m. – 12:45 p.m.

2009 Consumer Liaison Group Report and Future Topics

CLG Coordinating Committee

12:45 p.m. – 1:00 p.m.

Update on ISO Issues and Activities

Carolyn O'Connor, External Affairs, ISO New England

1:00 p.m. – 1:30 p.m.

Lunch

Next CLG Meeting Date

November 3 – Westborough, Massachusetts
